## Brain Tumor Events Mobile App

Update and customize your personal and team pages

Text, tweet, email or post messages to your donors

Thank your donors in a few simple clicks

Starting October 1, track your activity by syncing with Apple, Google Fit, Strava or Fitbit

1 - Download the "Brain Tumor Events" mobile app from the Google Play or Apple Store by navigating to one of the links below (you must be using your mobile phone in order to install the application).

2 - Log in using the same username and password you use for the Participant Center and you are all set to use the app!
